

S1002

Williams, Arizona, looking east along U.S. Highway 66. The town and the mountain to the south were named after the famous guide and Indian fighter, Bill Williams. Williams is known as the Gateway to the Grand Canyon and has many fine tourist accommodations.

Hello Folks! Mon. 8 PM

This is the noisy place we stayed in last night. A

typical western town with a 2 day rodeo. We couldn't hardly pass up the rodeo to go on through the Canyon today. Have a grand place here in Holbrook tonight.
